AMALTHEA

Prosperity through Technology

ABOUT AMALTHEA

Amalthea, the flagship **technological summit** of the Indian Institute of Technology Gandhinagar, stands as a premier platform for **innovation, collaboration, and knowledge exchange**. With an immersive technical exposition and an insightful conclave, Amalthea brings together industry leaders, startups, researchers, and technology enthusiasts to explore the latest advancements in **Artificial Intelligence, the Internet of Things, Robotics, and Sustainable Technology**. Designed as a hybrid event, it offers both on-site and virtual participation, ensuring global accessibility and fostering meaningful industry-academia interactions.

Amalthea is a hub for innovation, networking, and strategic partnerships. With interactive exhibitions, expert sessions, and high-impact competitions, it connects participants with **cutting-edge technology** and **industry leaders**. Committed to sustainability, education, and progress, Amalthea continues to **inspire, change** and **push the boundaries of innovation**.

TECH EXPO

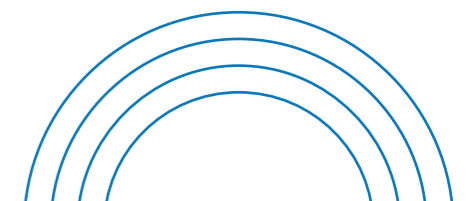

AT AMALTHEA

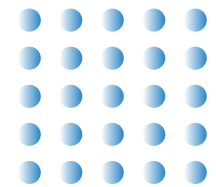

.....
• Amalthea Tech Expo is a two-day technical exhibition that brings together **startups**, industry leaders, and research pioneers to showcase groundbreaking innovations. This year, we've structured the expo into seven key segments to ensure a diverse and immersive experience :

- **Aerospace and Aviation**
- **Artificial Intelligence and Information Technology Companies**
- **Electronics and Hardware**
- **Healthcare and Biotechnology**
- **Manufacturing-based Companies**
- **Renewable and Sustainable Energy**
- **Research labs and innovation hubs**

The Tech Expo serves as a platform for networking, collaboration, and knowledge exchange, fostering innovation across industries.
